Важна обавештења:

- изнајмљени софтвер се може инсталирати на само једном рачунару који је у вашем приватном власништву
- изнајмљени софтвер није дозвољено користити у комерцијалне сврхе нити га умножавати
- ако наручени софтвер захтева Product Key како би био инсталиран, Product Key ће те добити на e-mail када исти поручите
- по престанку статуса студента или запосленог Саобраћајног Факултета у Београду можете наставити коришћење софтвера по условима прописаним EULA документом, али више не можете изнајмљивати дискове
- уколико желите да резервишете софтвер морате да се улогујете.
- резервација се аутоматски брише уколико не дођете по софтвер у периоду од два дана!
Да бисте преузели софтвер обавезно понесите индекс!

Key"). The Product Key will be assigned to solely to download authorized software. You may not disclose the Product Key information to anyone else.

- The MSDN AA Site Administrator will maintain records of software downloaded from server or checked out, and will provide those records to Microsoft upon request.

Usage Guidelines:

- You may use the software for non-commercial purposes including instructional use, research and/or design, development and testing of projects for class assignment and tests or personal projects. You may not use the Program software for any for-profit software development.
- When you are no longer a registered student in a department that is a member of the MSDN Academic Alliance, you may no longer receive updates for your personal use computer. However, you may continue to use previously installed software on your computer, provided you continue to follow program guidelines.
- If you violate the terms of the License Agreement and EULA, the MSDNAA Program Administrator will demand confirmation of removal of the program software on your personal use computer.
