

## Summer School on Air Transport Economics Belgrade, 7-9 September 2009

The **Summer school** is organized jointly by the *Division of Airports and Air Traffic Safety, Faculty of Transport and Traffic Engineering, University of Belgrade* (<http://apatc.sf.bg.ac.rs>), *German Aviation Research Society (G.A.R.S., [www.garsonline.de](http://www.garsonline.de))* and *Berlin School of Economics and Law* ([www.hwr-berlin.de](http://www.hwr-berlin.de)), supported by *EUROCONTROL* ([www.eurocontrol.int](http://www.eurocontrol.int)) and by the *Ministry of Science and Technological Development, Republic of Serbia* ([www.nauka.gov.rs](http://www.nauka.gov.rs)). The tutorials are to cover the fundamentals of airline, airport and air navigation services (ANS) economics. The tutorials are intended for senior year and graduate students having an interest in aviation as well as for professionals from the industry.

The Summer school is followed by a **Conference on ATM economics** (10 September 2009), jointly organized by UB-FTTE and GARS. Please visit <http://apatc.sf.bg.ac.rs> or [www.garsonline.de](http://www.garsonline.de) for the Conference programme and other relevant information.

**Venue:** Both the Summer School and the Conference will be held at the University of Belgrade – Faculty of Traffic and Transport Engineering (Vojvode Stepe 305, Belgrade, Serbia)

### Lecturers:

- Boris Begović (University of Belgrade)
- Andrew Cook (University of Westminster, London)
- Frederic Dupeyron (Hub Telecom, formerly financial director of Aéroports de Paris)
- Wolfgang Grimme (DLR – German Aerospace Center)
