

INFORMATION FOR AUTHORS

We invite everyone interested in writing a paper to send subject proposal including abstract and keywords by using the paper submission application tool available at www.bslz.org.

In order to submit a subject one of the authors must have an account at the website www.bslz.org, which must be verified through the sign in process. Upon signing in, you will be able to track all information regarding your paper submission, and leave comments at various discussions. Written and video manual (only in Serbian language) for using the application for paper submission is available at www.bslz.org.

All accepted papers will be published at the internet page www.bslz.org and DVD Proceedings. Chosen papers will be published in printed form of the Proceedings, in language in which paper was submitted.

CONFERENCE SPONSOR AND HOST OF THE CONFERENCE
City of Kraljevo & The municipality of VRNJAKKA BANJA

have the pleasure to invite you to the

11th International Conference
ROAD SAFETY IN LOCAL COMMUNITY

which will be held in
Vrnjaka Banja, Hotel Zvezda, Serbia
April 13-16, 2014

Conference subject areas are harmonized with **Decade of Action for Road Safety 2011-2012** pillars. Those pillars are:

1. PILLAR: STRENGTHEN INSTITUTIONAL CAPACITY TO FURTHER NATIONAL ROAD SAFETY EFFORTS

- Adoption of regulations;
- Development of strategies;
- Defining aims;
- Establishment of data system and track of realization.

2. PILLAR: IMPROVE THE SAFETY OF ROAD NETWORK

- Improving the safety-conscious planning, design, construction and operation of roads;
- Making sure that roads are regularly assessed for safety;
- Encouraging relevant authorities to consider all forms of transport and types of safe infrastructure when they respond to the mobility needs of road users.

3. PILLAR: IMPROVE VEHICLE SAFETY

- Implementing new car assessment programmes so that consumers are aware of the safety performance of vehicles;
- Promoting more widespread use of crash avoidance technologies with proven effectiveness (electronic stability control and anti-lock braking systems).

4. PILLAR: IMPROVE ROAD SAFETY BEHAVIORS

- Programs which combine enforcement with campaigns to increase public awareness and education to increase seat-belt and helmet wearing and reduce drinking and driving, speeding and other risks;
- Activities to reduce work-related road traffic injuries and promote the establishment of graduated driver licensing programmes for novice drivers.

5. PILLAR: IMPROVE CARE AFTER TRAFFIC ACCIDENT

- Reduce response time;
- Improve quality of care;
- Providing adequate rehabilitation.
